WOMEN

STRAGEN offers a complete range of tailor-made solutions for each stage of women's life supported by strong scientific evidence.

WOMEN

STRAGEN offers a complete range of tailor-made solutions for each stage of women's life supported by strong scientific evidence.

Endellia

PATENTED BOTANICAL EXTRACT

ENDOMETRIOSIS MANAGEMENT

Endellia is the first natural combination dedicated to endometriosis management.

Endellia is clinically proven to reduce endometrial angiogenesis as well as the dysmenorrhea & pelvic pain associated with endometriosis.

Actives:
Patented botanical extract.

Gynevia

α -GOS PREBIOTIC & LACTIC ACID

BACTERIAL VAGINOSIS TREATMENT

Gynevia is made of a highly specific & patented α -GOS prebiotic.

3 years of collaboration with the INRA have been required to develop **Gynevia**'s complex prebiotic able to promote the selective growth of resident *Lactobacilli* (good flora) to the detriment of pathogens bacteria in the vaginal flora.

Gynevia is clinically proven to treat bacterial vaginosis symptoms and to prevent relapses by durably restoring a normal pH & a balanced vaginal flora.

Actives:

Patented α -GOS prebiotic
& lactic acid.

Recommended use:

1 dose per day,
for 8 consecutive days.

Presentation:

Vaginal gel – 8 single doses.

Ellova

NATURAL BIOACTIVES

FERTILITY ENHANCEMENT

Ellova is specifically designed for women with PolyCystic Ovary Syndrome (PCOS)-induced infertility.

Ellova is clinically proven to restore a normal ovarian function and therefore increase the chances of getting pregnant.

Actives:
Natural bioactives.

iodacif

IODINE, FOLIC ACID & B12 VITAMIN

HEALTHY FETAL NEURAL DEVELOPMENT

Iodacif is a unique & specific formula combining all essential nutrients required to support the healthy fetal neural development.

Nothing more, nothing less, **Iodacif** is clinically supported to prevent neural fetal disorders which impact later on the child's cognitive function.

Actives:

Iodine, folic acid, B12 vitamin.

Recommended dose:

1 tablet per day.

Presentation:

30 tablets.

Diosmin 95[®]

NATURALLY SOURCED FROM *CITRUS SINENSIS* FRUIT

CHRONIC VENOUS INSUFFICIENCY

Diosmin 95[®] contains diosmin, a naturally occurring flavonoid isolated from citrus fruits such as *Citrus sinensis*, which acts as veinotonic and vasculoprotector.

Diosmin 95[®] is clinically proven to relieve signs and symptoms of CVI*/varicose veins, such as pain, swelling, burning sensations, heavy legs, and spider veins.

Thanks to its anti-inflammatory and veinotonic properties, **Diosmin 95[®]** also represents an efficient alternative in the treatment of haemorrhoids by reducing their duration and severity.

Actives:

Diosmin (naturally sourced from *Citrus sinensis* fruit) of high purity (95%).

Recommended dose:
1 tablet per day.

Presentation:
30 tablets.

*Chronic Venous Insufficiency

LuraLean®

HIGH QUALITY GLUCOMANNAN

APPETITE CONTROL

Luralean® is made of a high quality Glucomannan, a natural water-soluble fibre providing a strong feeling of fullness due to its purity and highest viscosity.

Luralean® benefits from two EFSA-approved health claims:

- Helps reduce your weight
- Helps maintain normal cholesterol.

Actives:
High quality Glucomannan.

Recommended dose:
1 sachet 3 times per day.

Presentation:
30 sachets,
effervescent powder.

INNOV

STRAGEN Health Innov is made of 3 clinically proven solutions containing unique bioactives. These products offer innovative & natural alternatives in the high-potential segments such as allergic rhinitis, fatty liver disease and menopausal symptoms.

SniZtop®

THE NATURAL HISTAMINE BLOCKER
FOR FAST ALLERGY RELIEF

SniZtop® is the only natural histamine blocker clinically proven to relieve allergy symptoms within 5 to 10 minutes.

SniZtop® acts upstream of the allergic cascade by blocking allergens before they can activate the immune cells.

SniZtop® is adapted to the whole family, effective all year-round, on both household & airborne allergens.

Actives:
Patented bioactives derived from quail egg.

Recommended dose:
1 to 2 tablets per intake,
upon symptom appearance.
To be repeated as needed.

Presentation:
30 chewable tablets.

SniZtop® GUM COMING SOON

The 1st chewing gum for fast allergy relief!

EstroFree¹⁰⁰[®]

THE NOVEL NON-ESTROGENIC & NATURAL SOLUTION FOR **MENOPAUSE**

EstroFree-100[®] is clinically proven to relieve the 10 most uncomfortable menopausal symptoms such as hot flashes, vaginal dryness, fatigue, insomnia, etc.

Made of a patented standardized blend of 3 botanical extracts (*Cynanchum wilfordii*, *Phlomis umbrosa*, and *Angelica gigas*),

EstroFree-100[®] is the novel non-estrogenic solution for menopausal women.

Actives:

Standardized extracts of *Cynanchum wilfordii*, *Phlomis umbrosa*, and *Angelica gigas*.

Recommended dose:

1 tablet per day.

Presentation:

30 tablets.

Leviker®

THE NATURAL & INNOVATIVE SOLUTION
FOR FATTY LIVER DISEASE

Leviker® is made of a proprietary standardized extract of Japanese apricot (*Prunus mume*), a superfruit consumed in Asia for its antioxidant and hepatoprotective properties.

Leviker® contains a standardized level of specific triterpenoids, well-known for their hepatoprotective properties and playing a complete action on metabolic functions.

Leviker® is clinically proven to reduce liver enzyme levels and improve redox homeostasis.

Actives:
Prunus mume standardized extract.

Recommended dose:
1 tablet per day.

Presentation:
30 tablets.

SKIN

STRAGEN offers an all-in-one & clinically proven solution for acne skin.

Triple effect acne serum

A UNIQUE & POWERFUL SOLUTION FOR ACNE

The **Acne Serum** is the 1st serum for acne skin with a triple effect:

- Calms the inflammation
- Soothes the irritated skin
- Reduces redness

The **Acne Serum** is made of unique branded combination of natural actives, specifically selected for their unique properties contributing to the reduction of acne. It creates an invisible layer on the skin which provides a direct cooling sensation and rapidly soothes the irritated and itching skin.

Actives:

Branded combination of natural actives.

Recommended use:

To be applied daily on the concerned areas.

Presentation:

Tube of 15mL or 30mL.
