SNIZTOP® IS SPREADING, ALLERGY IS NOT!

Stragen is pleased to announce Normon SA, a leading Spanish pharmaceutical company with more than 80 years of experience, integrated ALYVER® into its wide scope of over-the-counter medicines.

With already more than a hundred OTC products, Normon chose ALYVER® to complete their allergy range! We wish every success to ALYVER® which is available in Spain since Friday march 15th.

Today, SniZtop is available in 30 countries!
Our clinically proven and natural histamine blocker keeps expanding... Who will be next ?

Buen viaje Alyver®!
